

# Finger Plays

Fingerplays are a fun and interactive way to support young children's development. They provide numerous benefits, including enhancing fine motor skills, promoting language development, improving memory and concentration, and encouraging socialization.

## SNOWY POKEY

Tune: "Hokey Pokey"

You put your right mitten in,  
You take your right mitten out,  
You put your right mitten in  
and you shake it all about.  
You do the Snowey pokey  
and you turn yourself around.  
That's what it's all about.

Additional verses:

\*left mitten, \*your scarf, \*your boots  
\*your hat, \*your snowself

## I'M A LITTLE SNOWMAN

Tune: "I'm a Little Teapot"

I'm a little snowman short and fat  
Here are my buttons, here is my hat  
When the sun comes out, I can't stay  
Slowly I just melt away!

## LITTLE SNOWFLAKES FALLING DOWN

Tune: "Twinkle Twinkle Little Star"

Little snowflakes falling down,  
Swirling, twirling to the ground

Little snowflakes on my nose

On my chin and on my toes

Little snowflakes falling down  
Swirling, twirling to the ground

## MISTER SNOW

Tune: "Mister Sun"

Oh Mister Snow, Snow, Mister Sparkly Snow,  
Won't you please drift down on me.

Oh Mister Snow, Snow, Mister Sparkly Snow,  
covering up the trees.

These little children are asking you,  
to please drift down so we can play with you.

Oh Mister Snow, Snow, Mister Sparkly Snow,  
Won't you please drift down on me.

# Do You Want to Build A Snowman?

There are so many ways to build a snowman!

- Run outside (bundle up first) and roll snow into balls, Make sure to add sticks for arms, rocks for eyes and a carrot for nose. Make is special by adding old clothes
- How about getting crafty?
  - Coffee filter on construction paper 
  - Marshmallows can form the outline to a cute snowman!
  -  ◦ Paint or color toilet paper rolls and turn them on their side for a wide snowman!
  - Paint or color a popsicle stick, add some extra touches and make a skinny snowman!
  -
