Float

### Turtle, Turtle

Turtle, turtle moves so slow,  
Crawling, crawling, watch him go.  
At the pond he looks around,  
See his head move up and down.  
Turtle, turtle wants to swim,  
Now he slides and dives right in!

### Little Duck

I am a little duck that goes quack, quack, quack.  
And I've got lots of feathers on my back, back, back.  
And when I go down to the lake,  
I wiggle and I wobble and I shake, shake, shake.  
And when I go to sleep at night,  
I close my eyes very tight.  
But in the morning when I wake,  
I wiggle and I wobble and I shake, shake, shake

### Pick it up

See the litter, pick it up.  
Pick it up, pick it up.  
See the litter, pick it up.  
We are not litterbugs!

### If You Love our Planet Earth

If you love our planet Earth, then clap your hands  
If you love our planet Earth, then clap your hands  
You should love your planet Earth  
It's the planet of your birth  
If you love our planet Earth, then clap your hands.  
If you want an Earth that's clean, pick up your trash  
If you want an Earth that's clean, pick up your trash  
You should want an Earth that's clean  
So you really should "go green"  
If you want an Earth that's clean, pick up your trash.  
If you want Earth to be healthy, say "I do!" ("I do!")  
If you want Earth to be healthy, say "I do!" ("I do!")  
Now you should know what to do  
'Cos it's up to me and you (point to yourself, and away)  
If you want Earth to be healthy, say "I do!" ("I do!")

### Hands

My hands upon my head I'll place.  
Upon my shoulders, on my face,  
At my waist and by my side,  
Then behind me they will hide.  
Then I'll raise them way up high,  
And let my fingers fly, fly, fly,  
Then clap, clap, clap them—  
One – Two -Three!  
Now see how quiet they can be.
